25X1X

This document consists of four attachments.

Attachment I of 4 pages, dated 15 November 1951 discusses the transfer of administrative employees into industry; the progress of the collectivization program; and public reaction to RFE and VOA broadcasts.

25X1X Attachment II consists of 17 pages and is dated 26 November 1951. It deals with the struggle between the Roman Catholic Church and the regime. [REDACTED] Among other things it mentions the persecution of the clergy, the reorganization of the seminaries, and difficulties encountered in disseminating religious education to the children.

Attachment III consists of 5 pages, photostat, undated, of an article by Engr. Hanus Schimmerling, member of the Research Institute for CSSS : Pořorelice (Czechoslovak State Farms). The article discusses the cooperation of the State Farms with the JZD and includes a model of the formal agreement between the two.

Attachment IV consisting of three pages is dated 10 November 1951 and discusses the morale of the people; Communist security provisions and terrorism; Czech reaction to the RFE and VOA broadcasts.
